UNITED STATES

PRICE ONE CENT.

### NEW YORK, FRIDAY, JUNE 19, 1891.

### DECOYED TO HER RUIN.

Into Connecticut.

Her Into Submission.

Hired at a City Employment Bureau by a Desperate Man.

Capt. Reilly and three detectives of the "Tendorloin" Precinct police are making strenuous efforts to capture a man who is guilty of a bold and brutal crime against a modest young girl.

According to pretty Augusta Usinger's story, the man decoved her into Connecticut

Augusta'ls a very good looking, blue-eyed, buxom German girl of eighteen. She is intelligent, but artless and confiding, imagining

225 East Twenty-second street with Mrs.
August Hildchof, whose sister is the wife of
Augusta's consin.

Twice since she has been here Augusta has
obtained situations through Lang & Boech,

obtained situations through Lang & Boecherer's employment agency at 1278 Broadway, but in each instance the work was too hard for her and she returned to Mrs. Hildehof's to await a better position through the employ-ment agency.

and went with him and i supposed everything was all right until she told me of it yester-day."

Is it customary to send girls away with

Conn., wanted an upstairs girl, and a gentleman was waiting at the employment bureau to take her there if she wanted to go.

" We took a Third Avenue Elevated train

me very nicely, and spoke a little German. "After we had ridden five or six hours o the bont we got off and took a train. I don't member the name of the place, for I speal English very little and cannot read it.

"The man got two tickets and paid 60 cent for them. Then we rode for four stations and got off at a small station. It was very dark been nearly 10 o'clock, or perhaps a little

"We walked back along the carriage ros another man and two women, would meet me just outside the town, when he would have to leave me and come back to the city.

"He said : 'No, we are not going anywhere.

I haven't any place for you and all I want is you."
"I asked him what he meant, but he didn't

brought no one to save me from my disgrace. " I didn't see anyone after we left the depot

and don't remember passing any houses, so probably no one heard me,

form out of his pocket after he threw me I managed to get the knife away and stick

If in the ground so he couldn't und it. I also put the bottle of chloroform in my packet. of hind refused to loosen my water, one tried to find his knife but couldn't. Then he sat lead looked for his penknife, but didn't find that either. Then he left me up.

"Then he said: "It's better that you go Northern Pacific Northern Pacific

"I was so glad to think he would let me go

"I waited on up the road, and he steed atfill and watched me until I was out of sight. will was then get the darlight, and I walked until 7 o'clock. There was a ratiroad running near the read, and I walked until I found a

station.

\* The ticket agent could talk German and found in THE EVERING WORLD'S D O'Clock and when I told him my story he was sorry special issue.

etting here Wednesday atternosm-"I don't know what the man's name was od didn't ask him, as I supposed it was all

Augusta describes her assoliant as a rathe ost-looking man, about 5 feet, 7 inches (al dark complexion and moustache and dark

curly hatr. He were a blue cheviot suit and acted very inch like a gentleman, she said, up to the time of the alleged assault.

Augusta's ticket was not taken up on the rain she took for New Haven and she showed t to the reporter.

It was from North Haven to New Haven, on he New York, New Haven and Hartford Ratt- years old.

North Haven is only about five miles from New Haven, and is doubtless not far from the cene of the alleged assault. The girl also brought back the bottle of

She says the label on the bottle shows that was purchased at a drug store at Green-

wich avenue and Christopher street, but she does not remember the druggist's name. When questioned as to certain scending remarkable statements to her story, the girl

insisted that she had spoken the truth. The reason she had promised the man to say nothing about the affair, she said, was be cause she was anxious to get away from him

inder pretense of hiring her as a servant and was thankful that she had escaped being

located.

Mr. Hildehof also went to the proprietors of
the bureau, but they were unable to give him
any satisfaction.

The Sergeant in charge at the West Thurtieth street station-house, this morning de-The Sergeant in charge at the West Thirtieth street station-house, this morning declined to talk of the case further than to say
that there had been no arrests made.

There is reason to believe that Augusta's alleged assailant is a New Yorker or acquainted
here, for Augusta says he told her that he
came to the city every Tuesday and Friday.

Mine, Lang, one of the proprietors of the
bureau at 1278 Broadway, said to an Eyesiso World reporter this morning:

"I am very sorry for the gift, for I have
svery reason to think she is a good girl, but I
lou't see how it could have been helped."

"Did you know the man who came after
lere?"

nd as he was going back that afternoon on he boat he would take the girl slong with m.
"I sent for her and she scomed satisfier

people who are entire strangers to you? isked the reporter. "Yes, when we are satisfied that everythin

"Yes, when we are satisfied that everything is all right. This man appeared like a gentleman, and as gentleman frequently come here from the country to take girls to their wives or acquaintances, we thought it nothing unsual in his defing acc.
"When I asked his name he showed me a business card of the Allen Electric Light Company.

Company.

"Are you Mr. Allen ?" I asked him.

"Are you Mr. Allen ?" I asked him.

"No," he replied, 'but I am connected with the Company and am'Mrs. Allen's neigh-

r.' I asked him to leave the eard, but he said was all he had with him and he might need so I copied the name 'Allen,' and the ad-ess, 'New Miltord.'"

Tuesday afternoon at These-fourth street, and went to Fulton street. Near there we took a boat about 2 o'clock. "San't tell just where it was now, but 1 thing 2 words know if 1 saw the place.

"The man didn't speak to any use could ask." Why, no; his explanation seemed reasonable enough and his conduct and appearance was all that any one could ask. "In all our experience we have never had easy, the whom he talked and laughed a good deal.

"He had lots of money and paid for our she had lots to have men she had lots to had a lot on the lot of the had lots of could have be she had lots to have a she will be an any she had lots of had lots o

haven.
If the police are successful in their search At the poince are successful in their source for Augusta's alleged assailant and his arreshould be caused either here or in the Stat of Connecticut serious trouble may arise I securing his extradition.

He could be tried here for decoying her or of the State for illegal purposes, but not in the most outrages part of his alleged crime. Should the Connecticut authorities wan him, it is a miestlon whether flow full wool.

ne most outroges part of his mission of Should the Connecticut authoritie lin, it is a question whether Gov. 1911 aut thoy. Backly's request for his on, ashe has already refused to re im as Connecticut's chief executive.

### SIXTY EARTHQUAKE SHOCKS. Many Buildings Destroyed in the

Province of Bengal.

ners, and in order to recommend itself the was attired in her customary garb of sombroners strongly to them is obliged to keep the black. ack whenever it is possible.

ettlements, and in other ways money to be- he wasn't a married man. ng held back in the effort to hide the true ate of affairs at the Treasury Department. The expenditures thus far in the month of visit me as a slugle man, me have been \$8,188,824 In excess of recipts for the same time. The surplus availble at the beginning of the month has disapcared, and it is said that the deficit to-day is early half a million dollars.

Payments for pensions made thus far in une have aggregated \$18.312,155, or \$01,-900 more than the entire receipts of the Preasury for the same time. Other expendi-Broker William H. Colhoun's funeral se ures of the Government on appropriations by Congress have consumed the surplus of hand, which was stated, May 23 last, to b then a little over \$16,000,000.

The Treasury still has in National banks both \$22,000,000, and there lies in the vaults in dimes, quarters and half-dollars about \$20,000,000. These coins, however, re by law legal tender only for sums of \$10 r fractions thereof. From statements given out at the Trensury

department it is learned that in the closing ays of May there was paid for pension \$8.519,169. These were payments due Jun June 2, \$5,850,000 more was called for une d, #4,100,000; June 8, #650,000; Jun 1, #1,400,000; June 15, #3,600,000; June 7, #2,600,000. fundred and Sixth street. He was five feet tine inches in height and had red hair.

Disbursements for July, it is expected, will heavier than for June, as it is the first onth of the fiscal year, in which appropriaions made by the L. t Congress for pension ubile buildings, rivers and harbors, and al he necessities of the Government begin to

It is also the month in which it has been redicted that the operation of certain secions of the Tartiff law would begin to ma crially restrict importations, and, as a conequence, lessen the receipts from customs.

Treasury officials predict that there will oin be a surplus in the Trees ut no estimate can be obtained of its exsected dimensions, and no statement as t he sources from which it is expected to be

lerived. In June, 1888, the surplus in the United States Treasury exceeded \$100,000,000. In the statement issued by Secretary Windom ec. 31 last, the net cash balance on hand Including National Bank Redemption Fund," was \$19.827.873. In this net balance or sur-plus was included \$19.000.000 in subsidiary oin, which, as stated above, is legal tende

nly in sums of \$10 or less. It is stated that a Cabinet meeting ha en called for next Friday to consider pecially the condition of the public treasury.

Stated Deficiency, \$787,108.

INV ASSOCIATED PRESS. | WASHINGTON, June 19.—The United States Freasurer's statement, issued to-day but bearing date June 17, shows an apparent deciency of \$787.108. There will be a constant excess of receipt.

ver expenditures during the remainder of he month, and it is estimated that the me nerius will be at least \$7,000,000 by th at his home on De Kalb avenue last night of first prox.

# MOST TO DON THE STRIPES.

The Anarchist Committed to the Penitentiary for One Year.

John Most, the Anarchist, whose convicted for "uniawful assembly" the Court of Appeals has affirmed, was committed to the pentionlary for one year, this morning, by Judge lowing, in Part L. General Sessions. Most reached the Court a few minutes after

11 o'clock in company with his lawyer, Willam F. Howe, and the husband of his bondsvoman, Mrs. ida Hoffman.

woman, Mrs. ida Hoffman.

Most's wife, a frall little woman, wearing spectacles, and several male friends followed.

Ex\_Judge Bedford told the Court that the Court of Appeals had affirmed Most's coviction, and asked that the original sentence of one year's imprisonment be carried out.

Lawyer Howe said he could do nothing but submit, in view of the decision, but declared, however, that he would sue out a writ of habeas corpus for his client in the United States Supreme Court "to test the question whether freedom of speech is to be destroyed in this country."
